My Ref. No.....CONS/GEN/TYO/V. 45

28th November 2014

My Dear Compatriot,

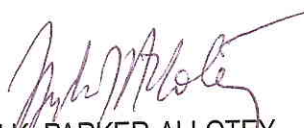

NOTIFICATION OF ARRIVAL AT POST

I have the honour to formally inform you of my arrival in Tokyo to assume duty as Ghana's Ambassador Extraordinary & Plenipotentiary to Japan.

2. At the outset, permit me to pay a deserving tribute to my predecessors and all Ghanaians in Japan for the diverse contributions which have, so far, sustained the foundation of the bonds of friendship between our two countries. The commitment, dedication and selfless efforts that underpin this noble national duty will serve as a source of inspiration during my tenure.

3. Undoubtedly, the task ahead is daunting, and can only be efficiently discharged with your unwavering support. It is in this context that I call for a renaissance of communalism and resilient Ghanaian spirit to enhance the prevailing atmosphere of camaraderie which, invariably, is the sine qua non for promoting cohesion among our peoples. Premised on this position, I also encourage the consolidation of the prevailing cordial relations with the Embassy since without your cooperation and collaboration the attainment of our mutual aspirations will remain elusive. To this end, I intend to hold regular consultations with the entire community with the objective of sharing ideas on important general issues of national interest. Let us join hands to promote the Ghana brand in everything we do.

4. In anticipation of your understanding and goodwill, accept dear compatriot, the assurances of my highest esteem and my fervent prayers for well-being of members of your families.
